

***Guide to Programs in Geography in North America 2002-2003:  
AAG Handbook and Directory of Geographers***

**Now Available !**

The *Guide* is a complete and invaluable reference for faculty, prospective students, government agencies, and private firms in the United States, Canada, and throughout the world. It includes detailed information on undergraduate and graduate geography programs in the United States, Canada, and Mexico, including degree requirements, curricula, faculty qualifications, program specialities, financial assistance, and degrees completed. The *Guide* also includes information about government agencies, private firms, and research institutions that employ geographers.
