**AAG JOBS IN GEOGRAPHY CENTER  
Information & Registration**

The AAG Jobs in Geography Center (JIG Center) at the AAG Annual Meeting has been improved to better serve employers and job-seekers. Participating employers now have more room to set up exhibits and displays for better visibility. Extended hours also mean more time to meet with potential job candidates.

Each participating employer will receive exclusive access to the AAG Resume Bank prior to the Annual Meeting to screen potential candidates. All companies will also be listed on the Jobs in Geography Center section of the AAG Annual Meeting website.

Contact Matthew Koeppel or Oscar Larson at 202-234-1450 for additional information or assistance with registration.

Please note: The JIG Center is for job recruiting purposes only and may not be used to substitute for exhibiting at the conference.
