

TOTE BAG INSERTS REACH ALL AAG 2007 ATTENDEES!

Sponsoring a tote bag insert is the perfect way to expose your latest product, or just your company in general to all AAG attendees. It's a highly effective way of standing out from the crowd and letting attendees know where they can find your booth.

The cost is \$1,500 per insert, and the AAG Conference Manager must approve all inserts in advance. Companies are responsible for printing 6,500 copies of the insert and all shipping costs.

To sign up, complete this form and send in with payment:

Company: _____ Booth Number: _____
