

CGGE Interest Form

A. Contact information

Name:

Title:

Institutional affiliation:

Country of residence:

Telephone number:

E-mail:

B. Courses and teaching interests

(1) Check the module(s) you are most interested in using:

- Population and Natural Resources
- Global Economy
- National Identity
- Global Climate Change
- Migration
- Water Resources

(2) Tell us about the course(s) in which the CGGE collaborative projects will be used. For each course, provide the following information:

Course title	Estimated enrollment	Dates when course will be offered (include month, day, and year):	Desired dates/availability for collaboration	Brief description of students who enroll in the course (class year, majors vs. non-majors, etc.)

(3) If you have any questions or would like to provide additional information about your teaching interests and goals for using a CGGE module, please let us know.

Click submit to send your information to Michael Solem (msolem@aag.org) at the AAG.
