- Altitude Zones in the Andes
- Inca Empire
- EcoRegions
- History in Cuzco
- Choropleth Maps: Population in Bolivia
- Urkupina Festival
- Coffee Cooperatives in Chiapas
- Jari (Rainforest Plantation in Brazil)

Europe:

- Roman Empire
- Locating a Fort
- Borders in History
- Pie Graphs: Ethnicity in the Balkans
- Map on the Wall in Dubrovnik
- Legacies of the Past
- Changing Technology: Iron and Steel
- Migration to Germany
- Two Turkish Students
- GNP in Europe
- Placenames in Switzerland

Africa:

- Seasonal Precipitation
- Isoline Maps
- Bioregions in Africa, Senegal
- Subsistence Farming in Uganda
- Marginal Grazing in Namibia
- Land-use Decisions in West Africa
- Malaria in Africa
- Squatter Towns and Water Quality
- Language Regions
- Colonization and Decolonization in Africa

Additional Units on the *Maps and Tools* Menu:

- Choosing Map Symbols
- Climagraphs
- Map Projections
- Seasonal Photos
- Scaled-symbol maps
- Voting in the UN

Northern Eurasia:

- Russian Empire
- Command Economy
- Land Value in Moscow
- Moscow: Onion-Ring Urban Form
- Water Taps in Bulgaria

Southwest Asia:

- Ancient Empires in Mesopotamia
- Historic Spread of Islam
- Water Budgets in Mesopotamia
- Modern Migration to Israel/Saudi Arabia
- Spatial Patterns: Arab/Israeli Settlements
- Two Turkish Students

South Asia:

- Floods in Bangladesh
- Making Bricks in Dhaka
- Historic Empires in South Asia
- New Technology in South Asia
- Urban Gardens in Bangladesh
- Trends in Food Production
(comparing China, India, and East Africa)

East Asia:

- Historic Empires in China
- Population Pyramids
- Coastal City and Interior Village
- Tea Farms (Not All the Tea in China)
- Vegetation Greenup in Tibet
- Three Gorges Dam
- Tokyo Mosaic Urban Form
- Comparing North and South (Vietnam)

Oceania:

- Caves and Rice
- Export Processing Zones in Indonesia
- Immigration to Australia
- Law of the Sea
- Quality of Life

Additional Units on the *Spatial Thinking* Menus:

- Comparing Places
- Geographic Analogs
- Spatial Auras
- Spatial Hierarchies
- Slope and Terrain (Transition)
- Correlation Graphs (Association)
- Geographic Diffusion

Most of the units listed on the menus *Spatial Thinking* and *Maps and Tools* also appear on the regional menus.
