

area of expertise such as fluvial, coastal or glacial processes and environments. This position also carries the primary responsibility for a new required course in geographic research methods.

Applicants may be asked to contribute to a research methods course and to develop freshman seminars. All applicants should demonstrate a potential for excellence in undergraduate teaching, an active engagement in research and scholarship and a commitment to public higher education. Involving undergraduates in research and interest in geographic education are also desirable.

This position offers an opportunity to shape the future of a department in transition. We currently have 40 majors and offer a B.S. in Geography. Average class size is 20-30. Worcester State College is part of the Massachusetts state college system. The contractual teaching load is 12 credit hours per semester. The position includes full state benefits.

Minimum requirements include a Ph.D. in Geography or a related discipline and undergraduate teaching experience. Desirable qualities include integrating geoscience technologies into teaching and research and developing field courses. Enthusiasm for developing the physical geography curriculum and growing the major is essential.

Interested applicants should send a letter of interest, curriculum vitae, original transcripts (highest degree), and three original, current professional letters of recommendation to the address below. NOV 06-271.

Apply: Director of Human Resources, Worcester State College, 486 Chandler Street, Worcester, MA 01602-2597.

Worcester State College is an equal opportunity/affirmative action employer. It actively seeks nominations of and expressions of interest from women and individuals of color.

For more information please visit the Human Resources Department site at <http://wwwfac.worcester.edu/hr/jobs.htm>.

***MASSACHUSETTS, WORCESTER 01602. Assistant Professor/Physical Geography: Hydrologic and Atmospheric Science.**

Broadly trained physical geographer with a specialization in hydrologic or atmospheric science. The position involves teaching meteorology, hydrology and sections of physical geography as well as developing upper level courses in water resources, climate change and one's area of expertise.

Applicants may be asked to contribute to a research methods course and to develop freshman seminars. All applicants should demonstrate a potential for excellence in undergraduate teaching, an active engagement in research and scholarship and a commitment to public higher education. Involving undergraduates in research and interest in geographic education are also desirable.

MICHIGAN, EAST LANSING 48824. The Department of Geography at Michigan State University is seeking applications for a tenure track faculty appointment in the area of **GIS and cartography** (SSC 184). The appointment will be at the rank of **assistant professor**, beginning August, 2007. A Ph.D. in geography or closely related field is required. We seek applicants with expertise and interest in cartographic design and visualization and abilities in GIS theory and applications. The successful candidate will be expected to work collaboratively in a multi-disciplinary environment with researchers in the Department of Geography and across the University and to actively contribute to the current spatial technology curriculum. Duties include developing an externally funded research program, teaching undergraduate and graduate student courses, and mentoring graduate students. International experience or demonstrated interest in international regions is an advantage. Applicants should submit a current curriculum vitae, a letter of interest, no more than two sample publications, and names of three references. Michigan State University is an affirmative action, equal opportunity institution and strongly encourages applications from women and minorities. OCT 05-215.

Apply: Dr. Alan Arbogast, 123 Geography Building, Michigan State University, East Lansing, MI, 48824 dunes@msu.edu 517-355-5262. Review of applications will begin November 1 and continue until the position is filled.

***MICHIGAN, MOUNT PLEASANT, MI 48859. Central Michigan University. Assistant Professor. Remote Sensing.**

The Department of Geography invites applications for a tenure-track appointment at the level of Assistant Professor effective August, 2007. A Ph.D. in Geography or a closely related field is required at the time of appointment. Appointment at a higher rank may be considered for applicants with a strong record of external funding.

Applicants should specialize in the application of remote sensing to natural resources, environmental analysis, surface hydrology, or other areas of physical geography. Additional expertise in radar, LIDAR, and / or GIS is a plus. The successful candidate must have excellent verbal and written communication skills and have a strong commitment to

both graduate and undergraduate teaching, research, and external funding. Candidates will be expected to mentor graduate and undergraduate student research. Screening will begin on November 10, 2006, and continue until the position is filled.

The department offers a B.S. (major and minor) and M.S. in Geographic Information Sciences, along with bachelor degrees in Geography and Meteorology. Computer and lab facilities are state-of-the-art. Additional potential research opportunities are available in CMU's GIS Center and the Central Michigan University Research Corporation.

Send an application letter, curriculum vita, copies of all transcripts, statement of teaching philosophy and statement of future research plans, and three letters of reference to the address below. NOV 06-276.

Apply: Dr. Bin Li, Chair, Department of Geography, Central Michigan University, Mount Pleasant, MI 48859. Further information is available at www.cst.cmich.edu/units/geo.

Serving more than 28,159 students, Central Michigan University is an innovative doctoral/research-intensive institution recognized for strong undergraduate education and a range of focused graduate programs and research.

CMU, an AA/EO institution, strongly and actively strives to increase diversity within its community.

***MISSOURI, COLUMBIA. 65211.** University of Missouri - Columbia. The Department of Geography invites applications for a tenure track **Assistant or Associate Professor in GIScience**. PhD in Geography is required at the time of appointment, which will be August 2007. This is a jointly funded position between Department of Geography and the College of Engineering with a tenure home in geography. Candidates should be comfortable working across disciplines and teaching courses to students from both areas. Candidates are expected to have an active program of research and publication, ability to attract external funding, and evidence of commitment to teaching excellence. The appointees primarily will teach courses in GIScience and should have an interdisciplinary research agenda that complements both the Department of Geography and the College of Engineering. Applicants should send a letter of interest describing their research agenda and teaching philosophy, curriculum vitae, and contact information for three references. Review of applications will begin November 1, 2006, and continue until the position is filled.

The University of Missouri is an EO/AEE employer and women and minorities are strongly encouraged to apply. For ADA accommodations please contact the Geography Department at 573-882-8370. NOV 06-299.

Apply: <http://recruiting.geog.missouri.edu/>. Questions: Dr. Gail S. Ludwig, ludwig@missouri.edu.

***MISSOURI, SPRINGFIELD 65897.** Missouri State University. The Department of Geography, Geology and Planning invites applications for a **tenure-track Assistant Professor of Geography with an emphasis in Cartography** to begin in August 2007. Ph.D. (or ABD) in Geography, Cartography, or Geospatial Science required at time of appointment. Expertise in Cartography, an aggressive research agenda documented by a detailed research plan, and a commitment to teaching and service are required. Additional expertise in Land Surveying, Geographic Information Science, Remote Sensing, and/or Global Positioning Systems is strongly desired. Post-doctoral research experience and evidence of teaching effectiveness would be advantageous.

The Department grants undergraduate degrees in geography, geospatial science, planning, geology, and earth science education and an M.S. in Geospatial Science in Geography and Geology. The successful candidate must be able to work closely with existing faculty in remote sensing and GIS to provide the core curriculum for both our undergraduate and Master's programs in geospatial science. Candidates with expertise to also support our undergraduate programs in human geography, physical geography, and/or planning would be especially desirable. Applicants should submit a letter of interest a current curriculum vitae, and a detailed research plan and arrange for three reference letters and copies of all academic transcripts to be submitted to the address below. NOV 06-298.

Apply: Chair, Cartography Search Committee, Department of Geography, Geology and Planning, Missouri State University, 901 South National, Springfield, MO 65897. The evaluation of applications will begin November 13, 2006 and will continue until a successful candidate is found. Further information can be obtained at (417) 836-5800 or fax to (417) 836-6006, or visit our web site at geosciences.missouristate.edu. Women and minority candidates are encouraged to apply. EO/AA employer. Email: Geography@missouristate.edu.

***NEBRASKA, KEARNEY 68849-5130.** The University of Nebraska at Kearney, Department of Sociology, Geography and Earth Science invites applications for two (2) **tenure-track positions at the Assistant Professor level** beginning August 2007.

Position 1: **Remote Sensing with experience/expertise in Great Plains Agriculture or Land Cover, and GPS applications.** Teaching responsibilities will include an upper-division, undergraduate course in Remote Sensing and other topical areas depending upon the candidate's training and expertise along with an introductory course in physical geography.

Position 2: **Human / Regional Geography with experience/expertise in Urban Geography, Transportation Geography, and/or Quantitative Methods in Geography.** Teaching responsibilities

will include an upper-division, undergraduate course in Urban Geography and/or Transportation Geography along with an introductory course in Human/Regional geography.

The successful candidates will have a demonstrated commitment to quality teaching, a record of publication or evidence of other scholarly activity as well as the expectation of research in the topical areas listed. The successful candidates will also be expected to supervise undergraduate student research, advise students and seek external funding. Minimum qualifications: doctorate in geography or closely related discipline with special emphasis in the required areas of specialization completed by August 20, 2007. Salary and Benefit Package are competitive.

To apply, complete the required faculty profile at www.employment.unk.edu THEN attach to the on-line profile a letter of application, vitae, and contact information for three professional references. Official transcripts will be required upon employment. Review of applications will begin January 15, 2007 and will continue until the position is filled. NOV 06-277.

Apply: Search Committee Chair: Stan Dart, Chair - Department of Sociology, Geography and Earth Science, 203 Copeland Hall, University of Nebraska at Kearney, Kearney, NE 68849-5103 (darts@unk.edu) The University of Nebraska at Kearney is an equal opportunity, affirmative action employer and is strongly and actively committed to diversity within its community.

***NEBRASKA, WAYNE 68787.** Wayne State College, **Assistant Professor of Geography, Tenure Track.**

Wayne State College seeks faculty member to teach **Urban / Economic / Regional Geography**. Ability to teach Introduction to World Geography and some or all of the following: Urban, Economic, Asian, Latin American, and / or European Geography. Background in GIS, Computer Cartography, or Remote Sensing a plus. Strong commitment to teaching in an undergraduate, interdisciplinary environment needed. Ph.D. in Geography required for tenure. Teaching load is 12 hours / semester (usually four classes, three preparations). Regular teaching of Introductory World Regional Geography in addition to above mentioned courses. Undergraduate academic advising expected.

Start date will be August, 2007. Competitive salary. Excellent benefits. Send letter of interest, curriculum vitae, contact information of at least three references, and brief online application (at www.wsc.edu under Visitors / Employment Opportunities) to the address below. NOV 06-294.

Apply: Human Resources Director, Wayne State College, 1111 Main Street, Wayne, NE 68787; or email to hrwork1@wsc.edu. EOE.

***NEVADA, RENO 89557.** The University of Nevada, Reno Department of Geography invites

applications for a tenure-track position for an **Assistant or Associate Professor in Land Use Planning** with a focus on growth management beginning Fall 2007. Interests and specializations may include economic analysis, regional studies, environmental analysis, sustainable development or transportation. Primary teaching responsibilities will include courses in planning, and some introductory and advanced geography courses. The ability to teach GIS and quantitative methods within a planning context is desirable. The standard teaching load in the department is four courses or twelve total credit hours per year for faculty engaged in graduate education and research. The candidate will be expected to sustain an active funded research program.

PhD in Geography, Urban or Regional Planning or related field is required at the time of appointment. Experience in land use planning is desirable. Other preferred qualifications include experience in graduate program curriculum development and implementation, experience with student advising and capability of working with graduate students on local and regional planning issues. For complete position description and qualifications see <http://jobs.unr.edu> or the department website <http://www.unr.edu/geography>. NOV 06-302.

Apply online at www.unrsearch.com/applicants/Central?quickFind=51687. A complete application needs a letter of application addressing the position requirements, documentation/evaluation by peers or students of teaching effectiveness, current curriculum vitae, and the name, address, phone number and email address of three references. Applications received by Jan. 12, 2007 will receive full consideration. Search chair: Scott Mensing, Voice (775)784-6364 Fax (775) 784-1058 Email: smensing@unr.edu. EEO/AA.

Interested applicants should apply online and will be prompted to attach a CV/resume, letter of application, contact information for 3 professional references.

***NEW JERSEY, MONTCLAIR 07043.** The Department of Earth and Environmental Studies at Montclair State University invites applications for a full-time, tenure-track faculty position in **surface hydrology**, with an emphasis on water resource management. This appointment will be at the **assistant rank** starting September 1, 2007. Expertise in metropolitan water quality issues and integrated research and teaching in applied GISciences would be highly desirable. A Ph.D. is required at the time of appointment. Additional information about the position and the department is available at www.csam.montclair.edu/earth. Applicants should send cover letter, CV, three letters of recommendation, and a statement of professional goals, research interests, and teaching philosophy to the address below. OCT 06-241.

Apply: Dr. Duke Ophori (ophorid@montclair.edu), Hydrology Search Committee

Chair (VF-30), Dept. of Earth & Environmental Studies, Montclair State University, Montclair, NJ 07043. Review of applications will begin immediately. Montclair State University is an Equal Opportunity/Affirmative Action Employer. Qualified women, minorities, and individuals with disabilities are encouraged to apply.

***NEW JERSEY, NEW BRUNSWICK.** Rutgers University invites applications for a tenure-track **Assistant Professor** position in the Department of Geography, starting Fall 2007 (pending budgetary approval). We are searching for a **geographer who specializes in South Asia**, and whose research addresses the intersection of global processes and social, cultural, political-economic and/or environmental conditions in that region. This position is being created as part of a major new interdisciplinary initiative in South Asian Studies at Rutgers (<http://southasia.rutgers.edu>). Applicants must hold a Ph.D. upon appointment, and be able to demonstrate excellence in research and teaching. Inquiries and applications (cover letter; curriculum vitae; statement of teaching interests, philosophy, and experience; and three reference letters under separate cover) should sent to the address below. NOV 06-255.

Apply: Richard Schroeder, Search Committee Chair, Department of Geography, 54 Joyce Kilmer Avenue, Piscataway, New Jersey 08854-8045; ph: 732/445-4019; fax: 732/445-0006; rschroed@rci.rutgers.edu (<http://geography.rutgers.edu/>). Review of applications will begin November 1, 2006, and continue until the position is filled. Rutgers is an equal opportunity and affirmative action employer.

NEW YORK, HEMPSTEAD, 11549. The Department of Economics & Geography at Hofstra University invites applications for a tenure track **Assistant Professor** of Geography position. The Department seeks someone with a topical specialty in **Cultural and/or Political Geography** and the ability to teach regional courses on the Middle East/North Africa, South Asia, or Eastern Europe. Applicants will be expected to teach general undergraduate geography courses, develop new courses in their area of expertise and maintain a strong research agenda. Applicants should submit a CV, letter of interest, statement of research and teaching interests (outlining current/future research contributions and teaching qualifications/preferences), and the names and contact information for three referees. Additional materials, such as a teaching portfolio and research articles, may be subsequently requested by the search committee. It is preferred that the candidate has a PhD in geography or related discipline by the time the appointment begins, but we will be willing to consider candidates that are ABD. Given our Department's commitment to teaching excellence, prior university teaching experience and good teaching reviews are

highly desirable. The position remains open until filled, with applications reviewed on a continual basis beginning November 2006. Anticipated start date is August 2007. Hofstra University is a private university located in suburban Long Island, 20 miles east of Manhattan. The campus is accessible by public transit from anywhere in the New York/New Jersey metropolitan area. OCT 06-226.

Apply: Dr. Robert Guttmann, Chair, Department of Economics & Geography, Hofstra University, Hempstead, NY 11549. (<http://www.hofstra.edu/Academics/HCLAS/Economics/>)

Equal Opportunity Employer.

***NEW YORK, NEW YORK 10021.** The Department of Geography of Hunter College, City University of New York invites applications for the position of **Department Chair** for the academic year beginning fall 2007. The Department seeks a dedicated and effective leader who will continue to promote and strengthen the department's well regarded academic, research, and service programs. Applicant must have a Ph.D. in Geography or a related field at the time of appointment and be qualified for appointment with tenure at the rank of full professor.

The Department seeks candidates whose academic research interests will contribute to the existing strengths of Geography at Hunter. **Specialization is open** to all geography subfields. Administrative and management experience within both undergraduate and graduate level programs in Geography is highly desirable. The successful candidate will have a demonstrated record of exceptional scholarship, a history of significant professional service, and, a well established record of grant activity. It is expected that the candidate also will participate in the intellectual and institutional development of geography within the City University of New York system which includes faculty at Hunter College, the CUNY Graduate Center, Lehman College, among many other CUNY institutions where geographers are present.

The Department of Geography of Hunter College is unique within the City University of New York and is the largest and among the most technologically advanced geography programs in the NYC metropolitan region. The department is composed of 15 full-time faculty members. Hunter College offers bachelor's degrees in geography and environmental studies, a master's degree in geography, and a graduate-level certificate in Geographic Information Science. Within the geography major the department also prepares students for a career in teaching social studies at grades K-12. For the 2005-2006 academic year the department had 123 undergraduate and 42 masters students. Over the course of each academic year the Department of Geography hosts more than 2,500 undergraduates in introductory courses. The department and department faculty also participate in the Geography specialization within the Earth and Environmental Science Ph.D. Program at the CUNY Graduate Center. Currently,

there are 32 doctoral students pursuing the Geography specialization.

Interested individuals should submit 1) a letter describing how they would lead the Department and contribute to its teaching and research programs; 2) a complete curriculum vitae; 3) a maximum of five reprints; and 4) the names and addresses (including e-mail and fax) of three to five referees. Review of applications will begin November 15, 2006, but applications will be accepted until the position is filled. NOV 06-305.

Apply: Dr. William Solecki, Chair, Search Committee, Department of Geography, Hunter College – CUNY, 695 Park Avenue - N1006, New York, New York 10021. Hunter College is an EO/ADA/AA/IRCA employer. Females, minority members, disabled persons, and veterans are encouraged to apply for this position.

***NEW YORK, NEW YORK 10012.** New York University invites applications for a faculty position in **Environmental Policy**, part of a new university-wide initiative in Environmental Studies. The successful candidate will have responsibilities in both the Wagner Graduate School of Public Service (tenure home) and the Faculty of Arts and Sciences. Applicants must have a doctoral degree in a relevant discipline. This has been approved as a **junior position**, but outstanding candidates for more senior appointments will also be considered.

We seek applicants who are excited about working in NYU's rich multidisciplinary community and in an environmental studies program that spans the human and natural sciences. Candidates should have strong research interests in one or more substantive areas of relevance for Environmental Studies, including geography, urban planning, public policy, economics, and sociology. The successful candidate may be primarily quantitative or qualitative in research methodology, descriptive or normative in stance, and domestic or international in focus. NOV 06-293-1.

Applications will be reviewed on receipt. Applicants should send a cover letter and CV no later than December 1, 2006 to: search.wagner@nyu.edu. Please also have three references send letters of recommendation to: Environmental Policy Search Committee, NYU Wagner Graduate School of Public Service, The Puck Building, 2nd floor, 295 Lafayette Street, New York, NY 10012-9604.

NYU is an Equal Opportunity/Affirmative Action employer and is strongly committed to diversity within its community.

NEW YORK, NEW YORK 10024. The Bard Graduate Center invites applications for a position in **Landscape History/ Cultural Geography**. The BGC is a graduate institute affiliated with Bard College committed to the encyclopedic study of the material world, drawing on methodologies and approaches from art and design history, economic

history, history of technology, philosophy, anthropology, and archaeology. For this search, which is **open rank** and open field, we especially seek scholars interested in working in a pluri-disciplinary context and across conventional boundaries of field, period and geography. The recipient must have a Ph.D. Applications are due on 1 December 2006. These should include a cover letter, c.v., sample publication, and names of three references, and should be sent to the address below. OCT 06-240.

Apply: Chair, Landscape History/ Cultural Geography Search Committee, Bard Graduate Center, 18 W. 86th Street, New York, NY 10024 (landscape@bgc.bard.edu).

***NORTH CAROLINA, CHARLOTTE 28223-0001.** University of North Carolina at Charlotte. The Department of Geography and Earth Sciences is recruiting a tenure-track **Assistant Professor** of Geography. Required qualifications are: 1) Ph.D. in geography, planning or related discipline by August 10, 2007; 2) research and teaching specialization in either **urban, environmental, or transportation planning**; and 3) potential to sustain an externally funded research program in urban, environmental or transportation planning research. Applicants with a demonstrated ability to utilize GIS for spatial analysis and modeling are preferred. In the fall of 2006 the Department of Geography and Earth Sciences began a new Ph.D. in Geography with tracks in Urban Regional Analysis and GI Science. The Department has a long-established MA in Geography, one part of which is an interdisciplinary concentration in Community Planning. In addition, the Department is a core participant in an interdisciplinary Ph.D. in Public Policy. The appointee will be expected to teach 4 courses per year and conduct funded research tied to the mission of the graduate programs.

The Department, the College of Arts and Sciences and the University of North Carolina Charlotte are strongly committed to creating and maintaining a community in which all students, staff and faculty can work, learn and live in an environment of respect and support. We welcome applications that help us achieve these goals. Review of applications will begin November 15 and continue until the position is filled. Send 1) letter of application describing teaching and research interests, 2) a full curriculum vita, and 3) three letters of reference to the address below. NOV 06-307.

Apply: Dr. Gerald L. Ingalls, Chair, Department of Geography and Earth Sciences, University of North Carolina at Charlotte, 9201 University City Boulevard, Charlotte, NC 28223-0001. AA/EOE.

***NORTH CAROLINA, CHARLOTTE 28223-0001.** University of North Carolina at Charlotte. The Department of Geography and Earth Sciences is recruiting a tenure-track **Assistant Professor** of

Geography. Required qualifications are: 1) Ph.D. in geography or related discipline by August 10, 2007; research and teaching specialization in economic aspects of urban regional analysis which complement the strengths of the department; and 2) ability to teach graduate-level courses in quantitative methods. Desired qualifications include: 1) Research interests in the global dimensions of urban economies; 2) familiarity with GIS in the context of urban regional analysis; and 3) formal training in economics.

The Department of Geography and Earth Sciences began a new Ph.D. in Geography and Urban Regional Analysis in the fall of 2006 and has a long-established MA in Geography. In addition, the Department is a core participant in an interdisciplinary Ph.D. in Public Policy. The appointee will be expected to teach 4 courses per year and conduct funded research tied to the mission of the graduate programs.

The Department, the College of Arts and Sciences and the University of North Carolina Charlotte are strongly committed to creating and maintaining a community in which all students, staff and faculty can work, learn and live in an environment of respect and support. We welcome applications that help us achieve these goals.

Review of applications will begin November 15. Send 1) letter of application describing teaching and research interests, 2) a full curriculum vita, and 3) three letters of reference to the address below. NOV 06-274-1.

Apply: Dr. Gerald L. Ingalls, Chair, Department of Geography and Earth Sciences, University of North Carolina at Charlotte, 9201 University City Boulevard, Charlotte, NC 28223-0001. AA/EOE.

***NORTH CAROLINA, GREENVILLE, 27858.** The Department of Geography at East Carolina University invites applications for a tenure-track position in **Physical Geography** at the **assistant professor** level to begin August 20, 2007. Candidates with research interests that complement existing areas of expertise in coastal or fluvial geomorphology preferred, but all applicants with interests in earth and environmental science will be considered. The successful candidate is expected to develop an externally funded research program. Ability to contribute to a growing departmental expertise in GISc is also desirable. Appropriate service to the university, community and profession is expected. Competitive salary and teaching load in a progressive department that offers the BA, BS, and MA. In a continuing effort to enrich its academic environment and provide equal educational and employment opportunities, the department actively encourages applications from members of all groups underrepresented in higher education. PhD in geography or related field is required at the time of appointment. The successful candidate will demonstrate commitment to excellence in teaching and research.

Review of applications will begin October 30, 2006 and will continue until the position is filled. Applicants must complete a candidate profile and submit a cover letter, curriculum vitae, statements of research and teaching interests, and the names and contact information (including email addresses) for three current references online at www.jobs.ecu.edu.

East Carolina University is an Equal Opportunity/Affirmative Action University that accommodates individuals with disabilities. Individuals requesting accommodation under the Americans with Disabilities Act (ADA) should contact the Department for Disability Support Services at (252) 737-1016 (Voice/TTY). Proper documentation of identity and employability is required at the time of employment. Official transcript required upon employment.

NOV 06-260.

***OHIO, BOWLING GREEN 43403. Geospatial Science, Bowling Green State University.**

The School of Earth, Environment & Society at Bowling Green State University invites applications for a tenure-track Assistant Professor position in Geospatial Science beginning in August, 2007. The newly formed school is comprised of the Department of Geography, Department of Geology, and the Center for Environmental Programs. We are seeking a person with interdisciplinary interests in GIS/Remote Sensing with emphasis in the application GIS to human, social, or environmental issues. The candidate is expected to develop and maintain an active, externally funded research program. The candidate will also be expected to teach undergraduate and graduate courses. Salary for the position is competitive and commensurate with peer institutions for rank and position and in keeping with candidate experience and credentials. Extensive facilities to support research and teaching in GIS/Remote Sensing include teaching and research computer labs with a total of 40 workstations (ESRI, ENVI, ERDAS, PCI, and ERMapper site licenses), large format color plotters, large and small digitizers and scanners, color printers, sub-meter GPS receivers, and portable field spectrometers (300-2500 nanometer and 2-15 micrometer wavelength ranges). We are also well-equipped for acquisition of field data with GPS, ruggedized Tablet PCs, and Pocket PCs for mobile GIS. Appropriate start-up funds are available for the successful candidate.

Applicants are required to have a Ph.D. at the time of employment. Candidates should send a letter of application, curriculum vitae, statements of research and teaching interests and goals, and three current letters of recommendation to the address below. NOV 06-295.

Apply: Dr. Joseph Frizado, Chair, Faculty Search Committee, Department of Geology, Bowling Green State University, Bowling Green,

OH 43403. Finalists will be required to provide a transcript for the highest degree. Applications must be postmarked by January 2, 2007. Bowling Green State University is an Equal Employment Opportunity/Affirmative Action employer and encourages applications from women, minorities, veterans, and persons with disabilities.

***OHIO, GRANVILLE 43023. Assistant Professor: The Environmental Studies Program at Denison University invites applications for a tenure-track position beginning in August, 2007. A strong potential for excellence in teaching and a productive research program that may involve undergraduate students are essential. Ph.D. is required; postdoctoral experience and demonstrated teaching ability are assets. The successful candidate will have expertise in geographic information systems (GIS) sufficient to teach Introduction to Environmental Mapping and to manage the GIS lab at Denison. Other teaching responsibilities will include two introductory courses, /People and the Environment/ and /Science and the Environment/, an advanced course in the area of specialization, and an occasional course for non-majors. All areas involving environmental applications of GIS will be considered; specialties such as cultural geography, environmental history or sociology, ecological anthropology or archaeology, environmental health, or environmental justice would complement the present ENVIS faculty. For more information about Denison's Environmental Studies Program visit: <http://www.denison.edu/enviro/>.**

Denison offers competitive start-up funds and summer support for student and faculty research. Candidates should send cover letter addressing their interest in liberal arts education; curriculum vitae; statements of teaching philosophy and research interests; copies of transcripts (graduate and undergraduate); and the names, e-mail addresses, and telephone numbers of three references to the address below. NOV 06-267.

Apply: Bahram Tavakolian, Director, Environmental Studies Program, Denison University, Granville OH, 43023.

Review of applications will begin December 15, 2006. Denison is an Affirmative Action/Equal Opportunity Employer. Women and minorities are especially encouraged to apply.

***OHIO, OXFORD 45056. Miami University. Tenure-track Assistant Professor. Begin August 2007.**

The Department of Geography seeks a full-time, tenure-track **assistant professor in urban geography** who will contribute to our program in Urban and Regional Planning and other areas of existing strength. Candidates from a broad range of theoretical and analytical perspectives will be considered. Teaching will include introductory, advanced, and graduate-level courses. Remunera-

tion includes salary and benefits, including health insurance. Ph.D. required at time of appointment. Screening begins October 31, 2006 and continues until the position is filled.

Send curriculum vitae, letter describing scholarly and teaching interests, three letters of recommendation, copies of relevant publications, and record of teaching (including courses taught and evidence of teaching quality).

Miami University is an affirmative action / equal opportunity employer. Women and minorities are encouraged to apply. Miami University offers an excellent benefits package including same-sex domestic partner benefits. Visit www.muohio.edu/benefits for details. For information regarding campus crime and safety, visit www.muohio.edu/righttoknow. OCT 06-264.

Apply: David Prytherch, Chair, Search Committee, Department of Geography, 216 Shideler Hall Miami University, Oxford, Ohio 45056 (telephone: 513-529-5010, fax: 513-529-1948; email prythedl@muohio.edu). For more information on Miami University and the Department of Geography, consult the web site at www.muohio.edu/geography.

***OKLAHOMA, NORMAN 73019.** The Department of Geography invites applications for a tenure-track, nine-month faculty position at the **Assistant Professor** level beginning August 16, 2007. The position is half-time in the Department and half-time in the Honors College. We seek a **human geographer** whose research and teaching interests complement the strengths of the Department. Regional research specialty is desirable. At least two years of university teaching experience is preferred. Ph.D. degree in geography or related field required at the time of appointment. The successful candidate will have a strong research publication record, potential to obtain external research funding, and commitment to establish collaborative research links within the Department and the University. The teaching load is two undergraduate or graduate courses in Geography and two interdisciplinary undergraduate courses in the Honors College per academic year. The University enrolls the largest number of National Merit Scholars per capita of any public university in the United States, and many of these students are enrolled in the Honors College. Salary will be commensurate with experience.

The application package should include the applicant's c.v., two samples of the applicant's research, and concise reviews of the applicant's teaching experience and research accomplishments. Names and contact information for three referees must be included in the application package. The University of Oklahoma is an Equal Opportunity/Affirmative Action Employer. Women and minorities are encouraged to apply. Review of applications will begin October 16, 2006 and continue until the position is filled. NOV 06-275-1.

Apply by e-mail to Dr. Fred Shelley, Chair, Department of Geography, University of Oklahoma. Norman, OK 73019. fshelley@ou.edu.

OREGON, PORTLAND 97207-0751. Portland State University. The Department of Geography (www.geog.pdx.edu) invites applications for a full-time tenure-track position in **Environmental Geography** at the rank of **Assistant Professor** to begin September 2007. We are seeking research expertise in one of the following areas: environmental dimensions of global change, environmental modeling or analysis, or economic development. The successful candidate will be expected to develop a funded research agenda that complements the department's and university's specializations, and to teach graduate and undergraduate courses in the area of specialization, an introductory course in either physical or human geography, and an upper division course in geographic techniques. The successful applicant must have a strong commitment to quality teaching at the undergraduate and graduate levels and demonstrate the potential to initiate and maintain an externally funded research program. Ph. D. is required at time of appointment.

Portland State University is a comprehensive public university with approximately 20,000 students. The Geography Department offers bachelors and masters degrees in Geography and a doctoral degree in conjunction with the Environmental Sciences and Resources program. University-wide initiatives include a commitment to sustainability, internationalization, diversity, and innovative pedagogy.

Candidates should submit a letter of application, curriculum vitae, and names and addresses (including e-mail addresses) of three referees to the address below. Review of applications will begin December 1 and continue until finalists are identified. OCT 06-236.

Apply: Search Committee Chair, Dept. of Geography, Portland State University, Portland, OR 97207-0751. PSU is an AA/EO institution and, in keeping with the President's diversity initiative, welcomes applications from diverse candidates and candidates who support diversity.

***PENNSYLVANIA, SHIPPENSBURG 17257.** The Department of Geography/Earth Science seeks a broadly trained **physical geographer** with expertise in some facet of hydrologic systems for a tenure-track Assistant Professor position, effective August 2007. Teaching responsibilities will include general education courses such as Introduction to the Atmosphere and advanced undergraduate or graduate courses in the candidate's area of specialization. The successful applicant will complement a department with strong traditions in applied education, human-environment interactions, field-based teaching, and student-faculty collaborative research. Evidence of a commitment to understanding diverse populations and a demonstration of teaching effectiveness will be required as part of the interview process. At least one degree must be in Geography. Doctorate preferred, but ABD will be considered. A doctorate from an accredited institution is required for tenure. Qualified candidates should send a completed application including a letter of interest, curriculum vitae, official undergraduate and graduate transcripts, along with three letters of reference to the address below. NOV 06-261.

Apply: Dr. William Blewett, Chair, Department of Geography and Earth Science, Shippensburg University of Pennsylvania, 1871 Old Main Drive, Shippensburg, PA 17257. Phone: (717) 477-1685. Fax: (717) 477-4029. Review of applications will begin November 15, 2006, and will continue until the position is filled. All candidates must furnish proof of eligibility to work in the U.S. upon appointment. Shippensburg University is an Equal Opportunity Employer.

***PENNSYLVANIA, WEST CHESTER, 19383.** Join a vibrant campus community whose excellence is reflected in its diversity and student success. West Chester University, Department of

Geography and Planning, seeks an **Assistant Professor**, full-time, tenure-track position starting Fall 2007. Ph.D. preferred in Geography, Planning, or other related field; ABD considered.

The department is seeking a Geographer or Planner with qualifications to teach undergraduate and graduate courses in one or more dimensions of **Resources, Conservation, and Environment**. Preference will be given to the applicant with research and teaching experience in resource management and conservation of natural resources.

The successful candidate is expected to teach introductory geography courses, conservation of natural resources, and upper level courses in their area of expertise. The normal teaching load is 12 credit hours per semester. Preference will be given to the candidate with demonstrated teaching experience with undergraduate students, and qualifications for teaching graduate students in the Department's Master of Arts program. Preference will also be given to the candidate with teaching or research experience in geographic technologies such as Geographic Information Systems (GIS), Global Positioning Systems (GPS), and Remote Sensing.

West Chester University places great emphasis on excellence in both teaching and sustained scholarship. Located in Chester County, Pennsylvania's leading residential environment by all measures of economic growth and education, West Chester University enjoys easy access by public transportation or auto to Philadelphia and all major cities on the east coast.

Review of applicants will begin November 1, 2006, and continue until the position is filled. Finalists must successfully complete interview and/or teaching demonstration. References with contact information will be required prior to interview.

Send application letter, curriculum vitae, and names with contact information for at least three references. NOV 06-270.

Apply to: Dr. James Lewandowski, Department of Geography and Planning, West Chester University, West Chester, PA 19383. Voice 610-436-2343. Fax 610-436-2889. Internet address is juwelch@wcupa.edu. Developing and sustaining a diverse faculty and staff advances WCU's educational mission and strategic *Plan for Excellence*. Women and minority candidates are encouraged to apply. West Chester University is an equal opportunity/affirmative action employer.

TENNESSEE, JOHNSON CITY 37614. East Tennessee State University, College of Business and Technology, Department of Economics, Finance, Geography, and Urban Studies invites applications for a tenure-track position in Geography beginning fall 2007 at the **Assistant Professor** level. We seek a diversified geographer who can teach courses in **physical geography (Weather and Climate, Landforms and Processes)**, remote sensing, and resource management. GIS teaching

experience is a plus. The successful candidate will have an active research agenda leading to refereed journal publications. Teaching load for such a candidate is 3 courses per semester. Ph.D. in Geography is required by time of appointment. Send only a letter of application and current vita with references to the address below. OCT 06-214.

Apply: Edward A. Baryla, Jr. Ph.D., Chair, Department of Economics, Finance, Geography, and Urban Studies, East Tennessee State University, Box 70686, Johnson City, TN 37614 (email: Baryla@etsu.edu). Do not send research papers, student evaluations, or reference letters. Deadline for applications is November 30, 2006.

East Tennessee State University is an equal opportunity/affirmative action employer. Minorities, people with disabilities, and women are encouraged to apply. Position contingent on state funding.

***TENNESSEE, MEMPHIS 38152.** University of Memphis. The Department of Earth Sciences seeks candidates for tenure-track positions at the rank of **Assistant Professor**. ABD candidates will be considered for these positions. The department intends to broadly strengthen geospatial techniques by attracting candidates with research applications in Remote Sensing, Spatial Statistics and/or GIS. Ideal candidates will also provide breadth in DES in the areas of society-environment, urban geography, and/or regional geography (outside of the United States).

Review of applications begins November 1, 2006, but applications received after that date may be considered until the positions are filled. Please submit a letter of interest, vita, teaching philosophy, and the names, addresses, e-mail addresses, and phone numbers of three references. The University of Memphis, a UCGIS Member Institute, is an equal opportunity/affirmative action employer which invites and encourages women and minorities to apply. The University of Memphis is an EEO/AA/Title VI/Title IX/Section 504/ADA/ADEA institution in the provision of its education and employment programs and services. NOV 06-313-1.

Apply: Thad Wasklewicz, Department of Earth Sciences - Geography, 001 Johnson Hall, Phone: 901-678-2177. Fax: 901-678-2178. E-mail: twsklwicz@memphis.edu.

TENNESSEE, MURFREESBORO 37132. The Geosciences Department of Middle Tennessee State University seeks a **broadly trained geographer with research and teaching expertise in the area of geographic information science and cartography** to work with current faculty to expand an established program in GIS/Remote Sensing (125180). Position is available January 1, 2007. A Ph.D. in Geography or closely related field is required. Teaching responsibilities may include the following undergraduate courses: introductory and advanced GIS, Cartography, and related topics. The candidate would also be required to teach introductory geography. Research, university/com-

munity service, and cooperative work with Department faculty and staff are expected. Some college teaching and research experience preferred; salary dependent upon qualifications and experience. OCT 06-248.

To Apply: go to <http://mtsujobs.mtsu.edu> and follow the instructions on how to complete an application, attach a resume, and submit application online. The Department would also like applicants to send 3 letters of recommendation and transcripts to Dr. Hilary Stallings, College of Liberal Arts Faculty Recruitment, MTSU Box 546, Murfreesboro, TN 37132; original letters of recommendations and official transcripts (not issued to student) of all degrees are required prior to on-campus interview. For more information contact Tom Nolan, search committee chair at tnolan@mtsu.edu or 615-898-5561 or Jim Henry at jhenry@mtsu.edu or 615-898-5075. Review of applications begins October 29, 2006; contract starts January 1, or August 1, 2007. Proof of U.S. citizenship OR eligibility for U.S. employment will be required prior to employment (Immigration Control Act of 1986). Clearly Act crime statistics for MTSU available at http://police.mtsu.edu/crime_statistics.htm. EO/AA employer.

***TEXAS, ARLINGTON 76019.** Position Announcement, School of Urban and Public Affairs, The University of Texas at Arlington.

The School of Urban and Public Affairs at the University of Texas at Arlington invites applications for a tenure or tenure track **faculty position at any level**, with appointment effective September 2007. Appointment at the Associate or Full Professor level requires completed doctoral degree and appropriate experience; appointment at the Assistant Professor level requires doctoral degree completed by time of appointment or ABD. Applicants must be qualified to teach in the general area of **urban affairs/policy, urban public administration, or urban planning**. We seek an individual with strong theoretical interests, as well as research strength in qualitative or quantitative research methods, along with an interest in applying those intellectual skills to addressing and resolving issues in the urban arena. We are especially interested in candidates who would contribute to the School's racial and ethnic diversity and whose research and teaching interests relate especially to the dynamics of race and class in the urban arena.

The School offers excellent teaching and research support; and its location in the heart of the Dallas-Fort Worth metropolitan area provides an ideal urban laboratory for research, teaching, and community service. The School, with an interdisciplinary faculty, offers

Doctoral Degrees in Urban and Public Administration, and Urban Planning and Public Policy, as well as Masters degrees in Urban Affairs, Public Administration (accredited) and City and Regional Planning (accredited).

A letter of application indicating research and teaching interests, vitae, and three letters of recommendation, should be sent to the address below. NOV 06-280-1.

Apply: Dr. Sherman Wyman, Chair, Search Committee, School of Urban and Public Affairs, Box 19588, The University of Texas at Arlington, Arlington, TX, 76019-0588, or wyman@uta.edu. Review of applications will begin November 1 and will continue until the position is filled. The University of Texas at Arlington is an Equal Opportunity/Affirmative Action Employer.

TEXAS, AUSTIN 78712. The University of Texas at Austin. **Assistant Professor.** The Department of Geography and the Environment and the Center for African and African American Studies invites applications for a tenure-track Assistant Professor position with a starting date of September 1, 2007. The areas of specialization are the Cultural Geography of the African Diaspora or Urban Geography with a focus on African-American communities. Position duties will include teaching undergraduate and graduate courses, research, and service to the Department, Center, and University. Applicants must hold a Ph.D. at the time of appointment, demonstrate publication potential and a clearly defined research agenda, and present evidence of teaching abilities. Send letter of application, curriculum vitae, statement of research and teaching interests, sample publications, and three letters of reference to the address below. OCT 06-229.

Apply: Dr. Paul Adams, Search Committee Chair, Department of Geography and the Environment, 1 University Station, A3100, Austin, TX 78712. Questions may be directed to him at paul.adams@mail.utexas.edu or 512-232-1599. Review of applications commences December 1, 2006 and will continue until the position is filled. A criminal background check will be conducted. The University of Texas is an Affirmative Action/Equal Opportunity employer.

***TEXAS, COLLEGE STATION 77843-3147.** Texas A&M University. The Department of Geography (<http://geog.tamu.edu>) invites applications for a tenure-track **Assistant Professor** position in **Process Geomorphology** to begin in September 2007. We seek a scholar with the ability to enhance the department's existing program in geomorphology. This position is one of six faculty hires in the environmental program initiative within the College of Geosciences. Outstanding opportunities exist for collaboration within geography and with other departments, research units, and interdisciplinary initiatives within the College of Geosciences and university (e.g., the departments of Atmospheric Sciences, Oceanography, and Geology and Geophysics, the Center for Atmospheric Chemistry and the Environment, the Watershed Management and Hydrological Sciences program and the Integrated Ocean

Drilling Program; <http://geosciences.tamu.edu>). The successful applicant must have a strong commitment to quality teaching at the undergraduate and graduate levels and supervision of undergraduate, M.S. and Ph.D. level research; and demonstrate the potential to initiate and maintain a vigorous externally-funded research program. The Ph.D. is required at time of appointment.

Candidates should submit a letter of application, curriculum vitae, and names and addresses (including e-mail addresses) of three referees to the address below. NOV 06-303.

Apply: Dr. David Cairns, Search Committee Chair. Review of applications will begin on December 15, 2006 and will continue until the position is filled. Texas A&M University is an Affirmative Action/Equal Opportunity Employer. The University is dedicated to the goal of building a culturally diverse and pluralistic community committed to teaching and working in a multicultural environment. We strongly encourage applications from women, underrepresented ethnic groups, and individuals with disabilities.

TEXAS, COLLEGE STATION 77843-3147. Texas A&M University. The Department of Geography (<http://geog.tamu.edu>) invites applications for **two** tenure-track positions in **Human Geography** at the **Assistant Professor** level, to begin in September 2007. We seek geographers researching **global economic and/or political processes**. Possible specializations are health geography, urbanization, large-scale organizations and institutions, or public policy, however other specializations will be seriously considered. One of these geographers must be capable of teaching an introductory undergraduate GIS course. These positions are part of a major expansion at Texas A&M, the College of Geosciences, and the Department of Geography. The successful candidates are expected to solidify the human geography research cluster and support the human-environment research cluster. Outstanding opportunities exist for collaboration with other departments, research units, and interdisciplinary initiatives within the College of Geosciences (<http://geosciences.tamu.edu>) and the University (e.g., the George Bush School of Government and Public Service, and the Colleges of Liberal Arts and Agriculture & Life Sciences, the Department of Urban and Regional Planning). The successful applicants must have a strong commitment to quality teaching at both undergraduate and graduate levels and demonstrate the potential to initiate and maintain vigorous, externally funded research programs. The Ph.D. is required at time of appointment.

Candidates should submit a letter of application, curriculum vitae, and names and addresses (including e-mail addresses) of three referees to the address below. OCT 06-249.

Apply: Professor Jonathan M. Smith, Search Committee Chair (jmsmith@tamu.edu). Review of

applications will begin on November 1st, 2006. Texas A&M University is an Affirmative Action/Equal Opportunity Employer. The University is dedicated to the goal of building a culturally diverse and pluralistic community committed to teaching and working in a multicultural environment. We strongly encourage applications from women, underrepresented ethnic groups, and individuals with disabilities.

TEXAS, DALLAS 75083. Head, Geospatial Information Sciences.

The University of Texas at Dallas seeks a distinguished geospatial scientist to head its program, consequent to the retirement of the current director. Candidates need a Ph.D. degree, a distinguished record of teaching, research and public service, and demonstrated potential to lead a new program to national and international eminence. This is an exceptional opportunity for an individual energized by a unique multi-disciplinary environment.

The Ph.D. program in Geospatial Information Sciences, which commenced in Fall 2005, is offered jointly by the School of Economic, Political and Policy Sciences, the Department of Geosciences in the School of Natural Sciences and Mathematics, and the Department of Computer Science in the Eric Jonsson School of Engineering and Computer Science. A joint Master of Science in Geographical Information Sciences, Graduate Certificates in Geographic Information Systems and Remote Sensing, and a Bachelor of Arts in Geography with GIS emphasis are also offered. The university is located in the suburbs of north Dallas amid one of the largest and most vibrant high-technology concentrations in the nation. For more information, go to the School's web site at: <http://www.utdallas.edu/dept/socsci>, and the Programs web site at: <http://www.gis.utdallas.edu>.

Inquiries regarding the search may be directed to the address below. OCT 06-208.

Apply: Dr. Brian J.L. Berry, Dean, School of Economic, Political and Policy Sciences. Nominations and applications should be sent to: Academic Search #397, The University of Texas at Dallas, P. O. Box 830688—AD 42, Richardson, TX 75083-0688, and should include a current curriculum vita and the names, addresses and telephone numbers of five references. Applications will be accepted until the position is filled. The University of Texas is an Equal Opportunity, Affirmative Action employer and applications from minority and female candidates are especially welcome.

TEXAS, NACOGDOCHES 75962-3045. The Department of Political Science, Geography, and Public Administration at Stephen F. Austin State University invites applications for the position of **Department Chair** beginning Fall 2007. Successful candidates should possess a Ph.D. or commensurate experience in political science, public administration, geography or related field (area of specializa-

tion open), a commitment to teaching excellence, a record of significant scholarly research, demonstrated administrative skills and experience with multi-disciplinary programs. In addition, strong leadership ability and demonstrated skills in identifying external funding sources are desirable.

The successful candidate must qualify for tenure at the time of appointment.

Salary is competitive based on experience and qualifications.

Stephen F. Austin State University is a regional university that has an enrollment of over 11,500 students. SFASU is a traditional, residential university located in the beautiful piney woods of east Texas. The Department of Political Science, Geography, and Public Administration has sixteen full-time faculty who serve undergraduate majors in political science, public administration and geography and graduate students in the Master of Public Administration program.

Interested applicants should submit a current vita, a letter of application, three letters of recommendation, a statement of teaching and administrative philosophy and evidence of quality teaching and scholarship to the address below. OCT 06-225.

Apply: Dr. Ken Collier, Search Committee Chair Department of Political Science, Geography, and Public Administration P.O. Box 13045, SFA Station Stephen F. Austin State University Nacogdoches, Texas 75962-3045 kcollier@sfasu.edu.

Review of candidates will begin October 2, 2006 and continue until the position is filled

Stephen F. Austin State University is an Equal Opportunity, Affirmative Action Employer. Women and minorities are encouraged to apply.

TEXAS, SAN MARCOS 78666-4616. Texas State University-San Marcos. Tenure-track, **Assistant Professor**, beginning Fall 2007, with expertise involving the human dimensions of **Environmental Geography**. PhD required in Geography. Demonstrated record of excellence in teaching and research is essential. The successful candidate will play a major role within the Department's graduate and undergraduate programs in environmental geography. Teaching duties will include courses that emphasize the human dimensions of environmental geography such as environmental management, environmental hazards and land management, water resources or other aspects of human interactions with natural systems. The department has 29 full-time faculty members serving BA, BS, MS, Master of Applied Geography, and PhD programs.

Review of applications will begin on November 14, 2006. Applicants are to submit a letter of application, curriculum vitae, and the names and contact information of three references. Texas State is an equal opportunity educational institution and as such does not discriminate because of race, color, creed or religion, sex, national origin, age, physical or mental handicaps, or status as a disabled or Vietnam era veteran. Texas State is committed to

increasing the diversity of its faculty. Texas State University-San Marcos is a member of the Texas State University System. OCT 06-253.

Apply: Dr. Philip W. Suckling, Professor and Chair, Department of Geography. Voice: 512-245-2170. Fax: 512-245-8353. E-mail: ps33@txstate.edu.

TEXAS, SAN MARCOS 78666-4616. Texas State University-San Marcos. Tenure-track, **Assistant Professor**, beginning Fall 2007, with expertise in **Geographic Education**. PhD required in Geography or closely related field. Demonstrated record of excellence in teaching and research is essential. The successful candidate will play a major role within the Department's PhD and Master's programs in Geographic Education. Teaching duties will include classes in geographic education at the undergraduate and graduate levels, plus other courses in the candidate's area of interest or to serve the needs of the department. The department has 29 full-time faculty members serving BA, BS, MS, Master of Applied Geography, and PhD programs.

Review of applications will begin on November 14, 2006. Applicants are to submit a letter of application, curriculum vitae, and the names and contact information of three references. Apply: Dr. Philip W. Suckling, Professor and Chair, Department of Geography. Voice: 512-245-2170. Fax: 512-245-8353. E-mail: ps33@txstate.edu.

UTAH, SALT LAKE CITY. Institute of Public and International Affairs (IPIA) **Senior Scholar Position - International Public Policy** <http://www.ipia.utah.edu/>

Responsibilities: The College of Social and Behavioral Science (CSBS) at the University of Utah is launching an exciting new Institute of Public and International Affairs (IPIA) that will house numerous research, teaching, and outreach activities related to politics, public policy, governance, security, and international affairs. The University of Utah is seeking an accomplished senior scholar with expertise in international public policy who would be tenured as an associate or full professor in one of the seven departments in CSBS and hold a senior appointment in IPIA. Departments in CSBS include anthropology, economics, family and consumer studies, geography, political science, psychology, and sociology. The successful candidate will be expected to contribute to core public policy teaching, undertake research projects that will advance the IPIA's

international public policy emphasis, and assist leadership in building the IPIA's regional, national and international reputation during its early, formative years.

Qualifications: We seek applications from individuals who conduct research related to international policy analysis and/or policy decision-making whose work would build on existing international and public policy strengths within the university. Preferred areas of research include but are not limited to and are not listed in priority order: (1) development, (2) the environment (3) health, (4) inequality, and (5) security. Researchers must demonstrate an international perspective in their work. We encourage applications from individuals who are excited about working in a multi-disciplinary environment. The successful candidate must have a Ph.D., be familiar with current international public policy issues, have effective interpersonal skills, and an established, nationally visible, extramurally funded research program.

Application Deadline and Start Date: Applications should be received by November 13, 2006. The search committee may consider applications received after this time until the position is filled. This is a new position with an expected starting date of approximately July 1, 2007. Contact Person

Inquiries should be made to the IPIA International Public Policy Search Committee, c/o Jenny Robinson, 801-585-3048 or robinson@cpga.utah.edu. Applications should include a letter of interest, CV, a sample of published work, and contact information for three references. Applications should be mailed to the address below. OCT 06-250.

Apply: Chair, IPIA International Public Policy Search Committee, c/o Jenny Robinson, University of Utah, 260 S Central Campus Dr Rm 214, Salt Lake City, Utah 84112.

The University of Utah is an Equal Opportunity, Affirmative Action Employer, encourages nominations and applications from women and minorities, and provides reasonable accommodation to the known disabilities of applicants and employees.

VIRGINIA, NORFOLK 23529-0088. The Department of Political Science and Geography at Old Dominion University invites applications for **two (2) tenure-track positions in Environmental and/or Physical Geography (one Assistant Professor, one Associate/Full Professor)**, beginning August 2007. For more information on the geography program see <http://al.odu.edu/polsgeog/academics/geog/> Requirements include research interests in two or more of the following: environmental issues, coastal/marine systems, natural and technological hazards, and landscape change; and the application of geospatial technologies to the topics above. Teaching requirements include introductory environmental geography and two or more of the following: research methods, remote sens-

ing, and natural and technological hazards. Also required are effective communication skills and demonstrated teaching and research ability. Ability to obtain outside funding, a regional focus on North and/or Latin America, and ability to teach applied GIS and field techniques are preferred. Successful candidates must have a Ph.D. and are expected to develop excellent instructional programs and research agendas in their areas of interest. Submit an application letter, CV, statement of teaching philosophy, evidence of teaching and research excellence, and three letters of reference to the address below. OCT 06-217.

Apply: Chair, Environmental Geographer Search Committee, Department of Political Science and Geography, Old Dominion University, Norfolk, VA 23529-0088. Screening of applicants will begin October 25, 2006 and continue until position is filled. Old Dominion University is an equal opportunity/affirmative action employer and requires compliance with the Immigration Reform and Control Act of 1986.

VIRGINIA, NORFOLK 23529-0088. The Department of Political Science and Geography at Old Dominion University invites applications for a **tenure-track position in GIScience with research interests in modeling, simulation, and visualization** beginning in August 2007. This position (Assistant/Associate rank) is part of a recent expansion of the Virginia Modeling, Analysis, and Simulation Center (VMASC), one of the world's leading university research centers for computer modeling, simulation, and visualization. The Center conducted approximately \$10.5m in funded research. ODU offers masters and doctoral degrees in Modeling and Simulation supported by faculty from all academic colleges and research faculty from VMASC. More information on VMASC can be found at <http://www.vmasc.odu.edu>. The successful candidate is expected to pursue a vigorous funded research program and have significant involvement with VMASC as well as with the interdisciplinary graduate program in modeling and simulation. The successful candidate will also contribute to a potential new interdisciplinary graduate degree in GIScience. Teaching expectations include graduate and undergraduate courses in GIS and spatial modeling, simulation, and visualization. Successful candidates must have a Ph.D. and are expected to develop excellent instructional programs and research agendas in their areas of interest.

For more information on the geography program see <http://al.odu.edu/polsgeog/academics/geog/>.

Submit an application letter, CV, statement of teaching philosophy, evidence of teaching and research excellence, and three letters of reference to the address below. OCT 06-218.

Apply: Chair, GIScience Search Committee, Department of Political Science and Geography, Old Dominion University, Norfolk, VA 23529-0088. Screening of applicants will begin October

25, 2006 and continue until position is filled. Old Dominion University is an equal opportunity/affirmative action employer and requires compliance with the Immigration Reform and Control Act of 1986.

WASHINGTON, CHENEY 99004. Assistant Professor in Middle Eastern Studies

Eastern Washington University invites applications for a tenure-track assistant professorship in Middle Eastern studies for a joint appointment in the departments of History and Geography-Anthropology to begin September 2007. Any time period or geographical specialization is acceptable. The successful candidate will be expected to teach survey courses in broader Middle Eastern history and cultures, upper-division and graduate courses in their areas of specialization. The ability to teach to an introductory class in World Civilization or World Regional Geography is desirable. Candidates with a Ph.D. or advanced ABDs will be considered; Ph.D. must be granted by September 2008. Salary is competitive, commensurate with qualifications and experience, in addition to generous faculty development money and an attractive benefits package. Please send an application letter, c.v., official graduate transcripts, three letters of reference, a writing sample (article or chapter length), and sample syllabi to the address below. OCT 06-219.

Apply: Dr. Michael Conlin, Search Committee Chair, Department of History, 200 Patterson Hall, Eastern Washington University, Cheney, WA 99004. Review of applications will begin on November 1, 2006, and will continue until the position is filled.

Eastern Washington University recognizes the value of culturally diverse academic programs and course offerings. We are committed to raising awareness throughout the institution and increasing the diversity of our faculty, staff, and students. We are an equal opportunity/affirmative action employer and applications from members of historically underrepresented groups are especially encouraged. The successful candidate will be required to show proof of eligibility to work in the United States pursuant to US immigration laws.

WISCONSIN, KENOSHA 53141-2000. The Department of Geography invites applications for a tenure track **Assistant Professor in GIS and Cartography** beginning August 2007. Ph.D. by start date is required. ABD will be considered for a one-year terminal appointment as a Lecturer with conversion to tenure track if Ph.D. is completed by June 2008. A strong commitment to high quality teaching, research, and service is expected.

Teaching responsibilities include introductory and advanced GIS, remote sensing, map analysis, cartography, and introductory geography. Ability to provide high quality teaching for undergraduate students is essential. Additional responsibilities

include guiding the Department's GIS Certificate program and managing the Spatial Data Analysis Lab.

The University of Wisconsin-Parkside is committed to access, diversity, engagement, and academic excellence. Located in the Chicago-Milwaukee urban corridor in a beautiful park-like setting, UW-Parkside enrolls about 5,100 students. Geography has four faculty positions and offers B.A. degrees to about 50 majors.

Send letter of application, vitae, contact information for 3 references, and supporting evidence regarding qualifications (e.g. examples of scholarly work, teaching philosophy, teaching evaluations, letters of recommendation). For full consideration submit all materials by November 17, 2006. Search will continue until the position is filled. The University of Wisconsin-Parkside is an AA/EEO employer and D/M/V/W. OCT 06-239.

Apply to Richard A. Walasek, Chair, Department of Geography, 900 Wood Road. Voice 262-595-2149. Fax 262-595-2602 Email walasek@uwp.edu.

WISCONSIN, MILWAUKEE 53201-0413. University of Wisconsin-Milwaukee. Tenure track **Assistant Professor** beginning Fall 2007. PhD required. The department is searching for a highly motivated individual who is interested in contributing to our graduate program focus on **Urban Environments**. We seek a human geographer focusing on urban environments with emphasis on nature-society interactions, such as environmental justice, land use, political ecology or the political economy of nature.

The successful applicant will be expected to develop active research programs, to develop individual and collaborative extramural grant proposals, and to establish appropriate connections with the local community.

Send a letter of application clearly stating how you can contribute, plus your Curriculum vitae and the names of three referees. Applications will be reviewed beginning on 6 November 2006 and continue until a suitable candidate is found. Applicants from diverse backgrounds are strongly encouraged to apply. UWM is an affirmative action, equal opportunity employer. OCT 06-233.

Apply: Faculty Search Committee, Department of Geography, P.O. Box 413. Phone: (414) 229-4866. Fax: (414) 229-3981. E-mail: mickday@uwm.edu. Find out more about the Geography Department through our web page: <http://www.uwm.edu/Dept/Geography>.

WYOMING, LARAMIE 82071. The University of Wyoming invites applications for the position of **Department Chair** with the rank of Associate or Full Professor in a full-time (eleven-month), tenured appointment, to begin in August 2007, at a competitive salary. A Ph.D. in Geography or a closely related discipline, with a specialization in one or more

subfields of human geography is required. Candidates must have teaching and research records that will make them eligible for immediate tenure at the University of Wyoming, a research extensive institution. Preferred qualifications include administrative experience at the departmental level, an ongoing research program, successful teaching experience, and interdisciplinary interests. Duties include: administration of a viable and active department with many teaching and research connections to other departments, programs, and institutes at the University; one course in area of expertise per semester at either the undergraduate or graduate level; ongoing research program; undergraduate advising and supervision of masters students; ability and willingness to participate in collaborative interdisciplinary research or programs. The Department has integrated programs in human geography, geographic information sciences, physical geography, environment and natural resources, and planning. The successful candidate will have a strong inclination to work with faculty colleagues in shaping those programs.

Applicants should submit a letter of interest highlighting their qualifications and experience, a curriculum vitae, a statement of administrative philosophy, a summary of research interests, a statement of teaching qualifications, and recent teaching evaluations to the address below. OCT 06-227.

Apply: Dr. Deborah D. Paulson, Chair of Search Committee, Department of Geography, Dept. 3371, 1000 E. University Ave., Laramie, WY 82071. Please arrange to have three letters of reference sent directly to Dr. Paulson. Screening of applicants will begin on November 6, 2006.

The Department of Geography at the University of Wyoming offers excellent resources, a collegial atmosphere in which to work, and a physical setting in the heart of the Rocky Mountain region. The Denver metropolitan area is approximately 2 hours distant by car, skiing, rock climbing, hiking, wildlife watching, scenery gazing, and hunting and fishing are much closer.

The University of Wyoming is an affirmative action/equal opportunity employer.

INTERNATIONAL

CANADA, ALBERTA, CALGARY. The Department of Geography invites applications for a tenure track position as a senior **Associate or Full Professor in Transportation Geography**. The Department is seeking expertise in the following areas of geography: transportation, urban studies, GIS, planning and economic geography. The successful candidate must have a PhD in Geography and an established international reputation and research program. The successful applicant will be expected to teach in the Geography Department and to contribute in a substantial manner to the newly established Transportation Studies Major in which the Geography Department plays a leading role. In addition the applicant

would be expected to contribute to all Departmental Programs at the Undergraduate and Graduate levels.

The Geography Department, with 23 faculty members, offers PhD, MSc, MA, MGIS, BSc, and BA degrees. The Department plays a leadership role in, and has strong links with, interdisciplinary undergraduate programs including the Transportation Studies Major, Urban Studies, Environmental Science and Earth Science. State-of-the-art research, teaching, computing and analytical facilities are available in the Department. The successful candidate's duties would include undergraduate and graduate teaching (Masters and PhD levels).

Applicants should provide a letter of application that includes evidence of excellence in teaching and research productivity, a curriculum vitae, student teaching evaluations and reprints of recent publications. The position is open until filled, with applications reviewed on a continual basis beginning October 16, 2006.

Applicants should arrange to have three letters of reference directly sent to the address below. SEP 06-156-3.

Apply: Chair, Search Committee, Department of Geography, University of Calgary, 2500 University Dr. NW Calgary, AB T2N 1N4. Fax 403-282-6561.

Further information about the Department may be found at: <http://www.ucalgary.ca/geog>

Please do not respond by email to this advertisement.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. The University of Calgary respects, appreciates, and encourages diversity.

To see all University of Calgary academic positions, please visit www.ucalgary.ca/hr/career.

***CANADA, BRITISH COLUMBIA, BURNABY V5A 1S6.** The Department of Geography at Simon Fraser University invites applications for a tenure track faculty appointment in **meteorology/climatology**. We seek a physical scientist with research interests in atmospheric science that link to one or more of physical geography, GIS, and the human impacts of climate change. The appointment will be at the rank of **Assistant Professor** and will begin September 1, 2007.

Applicants must have completed a PhD by the time of appointment and should demonstrate a clear promise of excellence in research as well as effectiveness in teaching at the undergraduate and graduate levels in the Physical Geography Program. Prime responsibilities will be to teach a sequence of undergraduate courses in weather and climate and related graduate courses, and to provide research direction and graduate supervision in atmospheric science. The successful candidate also will be expected to instruct in other courses in the Physical Geography Program as needed. The appointee will be responsible for establishing an externally funded research program in atmospheric science.

Applicants should forward a curriculum vitae, statement of research interests and career goals, and reprint or sample of research writing to the address below. NOV 06-265-1.

Apply: Dr. Ted Hickin, Chair, Department of Geography, Simon Fraser University, Burnaby, British Columbia, Canada V5A 1S6. They should also arrange for three confidential letters of reference to be sent to the Chair under separate cover. Review of applications will commence on November 21, 2006. For additional information please see www.sfu.ca/geography.

All qualified candidates are encouraged to apply; however Canadians and permanent residents will be given priority. Simon Fraser University is committed to the principle of equity in employment and offers equal opportunities to qualified women and men, including visible minorities, aboriginal people and persons with disabilities. The position is subject to final budgetary approval.

Under the authority of the University Act personal information that is required by the University for academic appointment competitions will be collected. For further details see:

http://www.sfu.ca/vpacademic/Faculty_Openings/Collection_Notice.html.

***CANADA, BRITISH COLUMBIA, SURREY V3T 0A3.** The Faculty of Arts and Social Sciences at Simon Fraser University invites applications for **two full-time, tenure-track appointments in Regional Science** beginning May 1, 2007. The appointments are for new undergraduate and graduate programs in Regional Science.

Simon Fraser University has three closely connected campuses in the metropolitan region of Vancouver. The Regional Science programs, faculty, and students will be located at the SFU Surrey campus. Faculty will be responsible for teaching introductory courses at SFU Burnaby, SFU Vancouver, and SFU Surrey. After the BA and MA programs are established, the development of a Ph.D. program is anticipated.

The appointments will be at the rank of Assistant and/or Associate Professor. Tenure-track faculty at SFU have a 2/2 teaching load and teach in two of the University's three trimesters.

Applicants for this position must hold a doctoral degree and must specialise in the area of Regional Science. Applications are encouraged from scholars with experience in program and curriculum development. Appointments will be made commensurate with experience in teaching, research, and service.

Applicants should submit a detailed letter of application that addresses current and future research interests as well as teaching philosophy and experience. The letter must be accompanied by a curriculum vitae and a sample of scholarly writing. If applicable, include a summary of your experience in curricular development, in departmental or university governance, and in mentoring

new scholars. Applicants must also arrange for three letters of reference to be sent directly to Dr. Heather Dawkins at the address below.

The deadline for applications is December 1, 2006 or until the positions are filled.

All materials should be sent to the address below. NOV 06-282-1.

Apply: Dr. Heather Dawkins, Associate Dean, Faculty of Arts and Social Sciences, Simon Fraser University Surrey, Central City, 250 - 13450 102nd Avenue, Surrey, BC V3T 0A3, Canada.

All qualified candidates are encouraged to apply; however Canadians and permanent residents will be given priority. Simon Fraser University is committed to the principle of equity in employment and offers equal employment opportunities to qualified applicants. The position is subject to final budgetary approval.

Under the authority of the University Act personal information that is required by the University for academic appointment competitions will be collected. For further details see the Collection Notice at http://www.sfu.ca/vpacademic/Faculty_Openings/Collection_Notice.html.

CANADA, BRITISH COLUMBIA, VANCOUVER V6T 1Z2. The Department of Geography at the University of British Columbia invites applications for a tenure-track position in Health, Environment and Social Justice, at the level of Assistant Professor. Applicants should have a PhD degree in Geography or a closely related discipline with research and teaching interests in one or more aspects of the geographies of environment, health and social justice. Candidates should have demonstrated excellence and high promise in research, and have a strong commitment to teaching. The successful candidate will be expected to develop an externally funded research program, to develop courses in her/his area of specialization, and to contribute to the Health and Society Program in the Faculty of Arts. The ability to contribute to the teaching of spatial-analytical methods would be an asset. The appointment will be effective July 1, 2007 and is subject to final budgetary approval.

Candidates should submit, in hard (not electronic) copy, a letter of application, together with a curriculum vitae, one writing sample (e.g., a recent publication or a thesis chapter), and the names, affiliations and e-mail addresses of four referees, to arrive at UBC no later than November 27, 2006. UBC hires on the basis of merit and is committed to employment equity. We encourage all qualified persons to apply; however, Canadians and permanent residents of Canada will be given priority. All enquiries and applications should be directed to the address below. OCT 06-234.

Apply: Brian Klinkenberg, Chair, Search Committee, Department of Geography, 1984 West Mall, University of British Columbia, Vancouver, BC, V6T 1Z2, Canada.

Fax: 604-822-6150. Web address: www.geog.ubc.ca. E-mail: brian@geog.ubc.ca.

***CANADA, ONTARIO, TORONTO M5B 2K3.** The Department of Geography (Faculty of Arts) at Ryerson University invites applications for a tenure-stream position (**rank open**) that will be cross-appointed to the Faculty of Business. A PhD (or equivalent) in Geography is required by the time of appointment (effective August 1, 2007). The position targets candidates with a specialization in the area of **Marketing with a specialization in Spatial Analysis and GIS**. It is expected that the successful candidate will take an active role in the research activities of the Centre for the Study of Commercial Activity (CSCA).

The Department of Geography offers an undergraduate program in geography leading to a Bachelor of Arts (BA) and a graduate program leading to a Master of Spatial Analysis (MSA), while the Faculty of Business is comprised of four schools in the areas of Business Management, Information Technology Management, Hospitality and Tourism Management and Retail Management. The Faculty of Business offers a Master of Business Administration (MBA) with a Retail and Commercial Development specialization that started in the fall of 2006.

Applicants must demonstrate a strong commitment to excellence in research and teaching. Demonstrated experience in establishing research partnerships with the private sector preferred. The successful candidate will be expected to teach at the undergraduate and graduate levels, contribute to the MSA and/or MBA through supervision and research, and to develop an active externally-funded research program.

Ryerson University is located in downtown Toronto, Canada and has 20000 undergraduate and 1000 graduate students in addition to 61000 continuing education registrations. For more information about the Geography Department, the Faculty of Business and the University see <http://www.geography.ryerson.ca> and <http://www.ryerson.ca/fb/>.

Consideration of applications will begin on December 11, 2006, but the competition will remain open until suitable candidates are identified.

Applicants should submit a curriculum vitae, a statement of research and teaching interests, samples of recent publications, and the names and contact information (e-mail address and telephone number) of three references who may be contacted to the address below. NOV 06-266.

Apply: Dr. Shuguang Wang, Chair, Department of Geography, Ryerson University, 350 Victoria Street, Toronto, Ontario M5B 2K3. e-mail: swang@ryerson.ca. Please note applications by fax or e-mail are not acceptable.

Ryerson University is known for innovative programs built on the integration of theoretical and applied learning. More than 80 undergraduate and graduate programs are distinguished by a pro-

fessionally focused curriculum and strong emphasis on excellence in teaching, research and creative activities. Ryerson is also a leader in adult learning, with the largest university-based continuing education school in Canada.

Ryerson University has an employment equity program and encourages applications from all qualified individuals, including Aboriginal people, persons with disabilities, members of visible minorities and women. Members of designated groups are encouraged to self-identify. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.

***CANADA, ONTARIO, TORONTO.** The Department of Geography, University of Toronto at Mississauga, invites applications for an Associate or Full Professor with expertise in Remote Sensing. The Department seeks a candidate with an international reputation and vision in the theory and application of remote sensing to research areas in physical geography such as (but not limited to) natural resources, land-use, and environmental or global change. The successful candidate will join a tri-campus Geography department with strengths and interdisciplinary links in both physical and human geography including hydrology, biogeography, environmental modeling, remote sensing/GIS and health. The candidate is expected to take up the position on July 1, 2007.

The appointment is at the University of Toronto at Mississauga (UTM), which has a strong interdisciplinary commitment, a multicultural student body, and a modern, spacious campus. The appointee will be well supported in their research and teaching initiatives by dedicated departmental geographic computing resources and an existing geospatial research cluster.

Strong participation in the UTM Geography undergraduate program with dynamic participation in the GIS degree stream is expected. The successful candidate will have a graduate appointment and graduate teaching responsibilities in the Department of Geography and Program in Planning, University of Toronto.

The successful candidate must have a Ph.D. in Geography or a related discipline, and demonstrated excellence in scholarly research, publication, and teaching. Additional information on the Department can be obtained online at <http://geog.utm.utoronto.ca/> and <http://www.geog.utoronto.ca>. Please send applications to the address below. NOV 06-259.

Apply: Professor Amrita Daniere, Chair, Department of Geography, University of Toronto at Mississauga, 3359 Mississauga Road North, South Building Room 3106, Mississauga, Ontario, L5L 1C6 CANADA. Applications should include a curriculum vitae, a statement outlining current and future research interests, examples of publications, and materials relevant to teaching experience. Applicants should also

ask three referees to write letters directly to Professor Daniere. Materials must be received by December 15, 2006 (no email applications will be accepted). Any inquiries about the application should be sent to the Department Chair, Prof. Amrita Daniere, at geog_chair@utm.utoronto.ca.

The University of Toronto is strongly committed to diversity within its community and especially welcomes academic excellence and welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities, members of sexual minority groups, and others who may contribute to the further diversification of ideas. We offer opportunities to work in many collaborative programs including Aboriginal, Canadian, environmental, ethno-cultural, sexual diversity, gender and women's studies. The University of Toronto offers the opportunity to teach, conduct research and live in one of the most diverse cities in the world. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

CANADA, ONTARIO, TORONTO M3J 1P3. York University – Faculty of Arts - The Department of Geography invites applications for a full-time tenure-track position at the **Assistant Professor** level. The Department seeks an **urban economic geographer** conducting critical research on labour and work-related issues in Canada who will complement the Department's existing strength in urban geography. Scholars working on any region of Canada are encouraged to apply. A PhD is required at the time of appointment and preference will be given to applicants with experience supervising graduate students. We seek an individual who will develop a vigorous research program in an interdisciplinary environment and can demonstrate a commitment to high-quality undergraduate and graduate teaching.

The position, to commence 1 July 2007, is subject to budgetary approval.

York University is an Affirmative Action Employer. The Affirmative Action

Program can be found on York's website at <http://www.yorku.ca/acadjobs/index.htm>, or a copy can be obtained by calling the affirmative action office at 416-736-5713.

All qualified candidates are encouraged to apply; however, Canadian citizens and Permanent Residents will be given priority.

Applicants should submit a curriculum vitae, statement of research interests and selected publications, and arrange to have three letters of reference sent to the address below. OCT 06-244.

Apply: Professor Patricia K. Wood, Chair, Department of Geography, York University, N418 Ross Building, 4700 Keele Street, Toronto, Ontario, Canada, M3J 1P3; phone 416-736-5107, fax 416-736-5988. Electronic applications will not be accepted.
